YOU WOULD LIKE TO FIND A JOB IN THE U.S. - WHAT SHOULD YOU DO? Betsy H.

Cohen presents collective wisdom from a dozen experts in international job search and career development. Foreign-born job seekers - whether they be international students, relocated persons, immigrants, or refugees - will find an American job faster and more confidently after reading this book. Readers will learn the different stages of the job search process, and how to prepare for each one. The book's case studies and expert contributions provide many examples and recommendations to manage stress and make their search process smoother. The book teaches readers how to: Build and develop your American network Find potential job openings both posted and non-posted Distinguish between the types of interviews and what to expect Present yourself to potential employers before, during, and after the interview Discuss salaries and set expectations for what transferable skills are worth Understand when to use immigration lawyers in the job search process Get recognition for accomplishments, leading to promotions and pay increases.

New York Times bestselling author Jen Lancaster is here to help you chill the hell out. When does the USA become shorthand for the United States of Anxiety? From the moment Americans wake up in the morning, we're bombarded with all-new terrifying news about crime, the environment, politics, and stress-inducing foods we've been enjoying for years. We're judged by social media's faceless masses, pressured into maintaining a Pinterest-perfect home, and expected to base our self-worth on retweets, faves, likes, and followers. Our collective FOMO, and the disparity between the ideal and reality, is leading us to spend more and feel worse. No wonder we're getting twitchy. Save for

Independence Day-style alien invasion, how do we begin to escape from the stressors that mark our days? Jen Lancaster is here to take a hard look at our elevating anxieties, and with self-deprecating wit and levelheaded wisdom, she charts a path out of the quagmire that keeps us frightened of the future and ashamed of our imperfectly perfect human lives. Take a deep breath and her advice, and you just might get through a holiday dinner without wanting to disown your uncle.

For the Immigrant and the Curious

A stirring, witty, and poignant glimpse into the bewildering American immigrant experience from someone who has lived it. Hakakian's "love letter to the nation that took her in [is also] a timely reminder of what millions of human beings endure when they uproot their lives to become Americans by choice" (The Boston Globe). Into the maelstrom of unprecedented contemporary debates about immigrants in the United States, this perfectly timed book gives us a portrait of what the new immigrant experience in America is really like. Written as a "guide" for the newly arrived, and providing "practical information and advice," Roya Hakakian, an immigrant herself, reveals what those who settle here love about the country, what they miss about their homes, the cruelty of some Americans, and the unceasing generosity of others. She captures the texture of life in a new place in all its complexity, laying bare both its beauty and its darkness as she discusses race, sex, love, death, consumerism, and what it is like to be from a country that is in America's crosshairs. Her tenderly perceptive and surprisingly humorous account invites us to see ourselves as we appear to others, making it possible for us to rediscover our many American gifts through the perspective of the outsider. In shattering myths and embracing painful contradictions that are unique to this place, A Beginner's Guide to America is Hakakian's candid love letter to America.
