William Morris (1834–1896) was the towering figure in late 19th-century design and the main influence on the Arts and Crafts movement. The aesthetic and social vision of the movement grew out of ideas that he developed in the 1850s with the Birmingham Set – a group of students at the University of Oxford including Edward Burne-Jones , who combined a love of Romantic literature with a commitment to social reform. [20]

Arts and Crafts movement - Wikipedia
William Morris (1834-1898), a founder of the British Arts and Crafts movement, sought to restore the prestige and methods of hand-made crafts, including textiles, in opposition to the 19th century tendency toward factory-produced textiles. With this goal in mind, he created his own workshop and designed dozens of patterns for hand-produced woven and printed cloth, upholstery, and other textiles.

William Morris and wallpaper design
During his career, William Morris produced over 50 wallpapers. These designs – many of which feature in the V&A's extensive Morris collection – adopted a naturalistic and very British take on pattern that was both new and quietly radical. Remember that a pattern is either right or wrong.

V&A - William Morris And Wallpaper Design
William Morris believed people should be surrounded by beautiful, well-made things. This vision inspired the emergence of the Arts and Crafts movement in the 1860s. Morris's lectures and essays on art and his rediscovery of traditional craft techniques helped spread the movement, as did the decorative designs and products from his company: Morris, Marshall, Faulkner & Co.
