To maintain our ongoing partnership with parents means sharing every milestone, little or large, and engaging with parents to provide the highest standard of early education for each and every child. It's about recognising that parents are to be valued and appreciated as much as their children and that without parents as partners, our role wouldn't exist.

6 Drawbacks of Working for Your Parents

Working effectively with parents can be challenging, and is likely to require sustained effort and support. Most schools say that they do not have an explicit plan for how they work with parents; fewer than 10% of teachers have undertaken CPD on parental engagement.

Working with Parents to Support Children's Learning ...

Working in partnership with parents is central to the Early Years Foundation Stage (EYFS) in England and the National Minimum Standards for Registered Childcare (NMS) in Wales. Here we've put together a round-up of all our resources to help support you as a childcare professional to confidently connect and engage with parents to encourage and develop children's learning.

Working in partnership with parents - spotlight on | PACEY Childcare solutions for working parents are cost-effective and help children build their social

skills. You can provide your child with a large variety of books, toys, and other educational resources. As various policies and laws govern daycare centres, they tend to be more organised and alert in their functioning.

Effects of Working Parents on Child Development

Supporting people to thrive at work and home Parents At Work is a membership-based organisation providing work + family education and policy advisory services. We bridge the work and home divide by embedding flexibility, wellbeing, parental transition

Flexible working describes a working pattern that is modified to an employee's personal needs in mind. This could be in the form of 'flexitime' working which allows more choice regarding the hours worked; 'compressed hours' which allows the employee to work the agreed hours over fewer days or 'annualised hours' which allows more flexibility throughout the course of a year.
